

## **Transcript for video tutorial on Turnitin GradeMark- Inline comments and General comments**

Turnitin provides 4 types of comments that teachers can use in grading student's paper. These include: Drag and drop comments, Rubric, Inline comments and General comments. In this video, you will learn how to use Inline comments and General comments in Turnitin grademark function.

Click the turnitin assignment in the Moodle course page.

Go to "Submission Inbox" tab.

Teachers can click on the pencil icon to access the grademark interface of a submission.

After you opened the student's originality report, go to grademark view.

Teachers can add the inline comments by clicking the text icon on the top right hand corner.

Inline comments allow teachers to add comments directly on the paper.

The inline comment will appear as blue text on the paper.

To edit the inline comment, you can click on it directly and adjust the comment.

If you want to delete the inline comment, click the delete icon.

Teachers can give general comments to students regarding a paper.

Click "General comments" icon at the bottom.

There are two types of general comments, they are voice comment and text comment.

For voice comment, teacher can click the record button to record a voice comment up to 3 minutes long.

To add a text comment, enter the comment in the text box provided.

Click "Save" to save the comment.

Students can view the teacher's comment by clicking the pencil icon under "Grade" column.

Students can view their own turnitin assignment comment on the right hand side of the originality report.
